

Seda International Packaging Group is locating its first North American manufacturing facility in Racine County, Wisconsin, creating 189 new jobs. The decision to invest in the Racine County operation is a fantastic opportunity for both the Company and the community and will give Seda the platform to develop our North America Business.

With its head office in Naples, Italy and factories in Italy, Germany, Portugal, Belgium, and the United Kingdom, the creation of Seda North America Inc., will form part of the Seda Group which is the world's largest packaging manufacturer for food Brand leaders worldwide.

This is an exciting stage of the Company's development and as a global market leader Seda wants to meet professional, enthusiastic and flexible people who want to share this challenge.

If you think, like Seda does, that team working and People can make the difference and if you are looking for an exciting opportunity to grow and develop in a challenging and rewarding 'state of the Art' packaging environment, or if you are interested in opportunities with a progressive, dynamic employer Seda has opportunities across the full spectrum.
